

Ultimate Rewards Checking

There are Rewards Checking Accounts, and then there are Ultimate Rewards Checking accounts! We've made it easy to qualify, there are no penalties for not qualifying, and there are no minimum monthly balance requirements.

Meet the Ultimate Rewards Checking qualifications, and you'll receive:

- 3.51% APY on balances up to \$10,000 on qualifying accounts.
- .50% APY on the portion of your balance above \$10,000.
- Up to \$25 in Nationwide ATM fee refunds per qualification cycle credited to your account.

Qualifications:

In order to qualify you'll want to continue to do three simple things that you are probably already doing:

- Post and clear at least ten debit card purchases per qualification cycle.
- Receive e-statements. E-statements are safe, secure, and convenient.
- Have at least one direct deposit, auto-debit or online bill payment post and clear each qualification cycle. Our staff will even help you set up your bill payments, if you like.

That's all there is to it! And if, for whatever reason, you do not qualify during a monthly statement cycle, you'll still receive a FREE checking account with no minimum balance requirements and earn the base 0.05% APY interest rate! You'll be notified of your qualification by email each month, so you'll always know how you're doing.
